KILLINGLY HIGH SCHOOL

DANIELSON, CONNECTICUT

DEDICATION

MR. FRANK B. KOSS

The class of 1962 is honored to dedicate its yearbook to Mr. Koss.

We came to Killingly High School as sophomores, and he helped in many ways to make us feel at home. During our first two years he was our class advisor, and we found his guidance invaluable.

Although quiet and unassuming, he has a ready sense of humor. The pleasant atmosphere in his classes and his unceasing patience have helped many of us to a better understanding of mathematics. He has also awakened a new interest in science by starting a science club.

Thank you, Mr. Koss, for helping to make our short stay at Killingly High School a happy and profitable one. We shall always have a warm place in our hearts for you.

MR. ROBERT D. PAYNE

Graduates —

As you venture into the vast unknown, may I urge that you not forget the effect of your parents in providing a stable home for you — the foundation of a successful life; of your church in establishing standards of religious precept and moral practice; and of your schools and teachers in providing the encouraging influence to make your life a success.

One never knows at this point where your influence will end or on whom it will fall. Life supplies a picture frame, but you must supply the picture.

May I sum up my best wishes to you by using a passage written by that great American author Henry van Dyke entitled "My Life":

"Let me but live my life from year to year with forward face and unreluctant soul; not hurrying to, nor turning from the goal; not mourning for the things that disappear in the dim past, nor holding back in fear from what the future veils; but with a whole and happy heart that pays its toll to Youth and Age, and travels on with cheer.

"So let the way wind up the hill or down, o'er rough or smooth, the journey will be joy; still seeking what I sought when but a boy, new friendships, high adventure, and a crown, my heart will keep the courage of the quest, and hope the road's last turn will be the best."

ADMINISTRATION

MR. FRANCIS J. FISHER

Congratulations to the Class of 1962 on your achievement!

What you have accomplished so far should be only a beginning, however. Despite what is often said about the difficulties of graduates getting into college to secure further academic education, there is opportunity for everyone beyond high school. In fact there were never more opportunities for young people.

There are innumerable openings for apprenticeship training and technical education in a variety of skills in established and newer industries. Add to the training you have received here, a willingness to do a day's work, and a consistent effort at self-employment over the years and your future should be bright. Remember that a collegiate education is but one road to a happy and successful life.

In your hierarchy of values place health at the pinnacle and make the best of your abilities avoiding any impairment to that without which your usefulness and happiness are lessened.

While many countries in the world are relying on older generations for guidance in these critical years, we in this country are looking increasingly to young men and women for leadership. We have ample evidence of this at the national level as well as here in Connecticut.

By his accomplishments to date each member of this year's graduating class has reason to be proud that he has taken a first step in preparing himself to meet the challenge facing youth in the future.

CLASS ODE

The time has come, Dear Killingly,
For us to lead the way —
The years we've spent, the dreams we've
shared
Depart with us today.
As we march down the road of life,
To face both joys and sorrows,
Your guiding light will still be there
To meet those new tomorrows.

Now our future is before us
With dreams that shall come true,
And for many years thereafter
We shall be proud of you.
With the parting of our classmates
And our high school days gone by,
In our hearts will still remain
Mem'ries of our dear "high."

CHORUS

Oh Killingly, we praise you,
Dear Killingly, so true—
We've gained so much; we owe so much—
We left our hearts with you.

Arlene Dauphinais, Jane Parsons, Marshall Tourtellotte and William Gilbert represented K.H.S. at Girls' and Boys' State. Each year students from Connecticut's high schools are chosen on a basis of leadership, scholarship, and character to attend a conference at the University of Connecticut. At the University, they learn through participation the basic operations, functions and organizations of our government.

COLLEGE ENGLISH

As a participant in the University of Connecticut Cooperative Program for Superior Students, Killingly High School offers a college-level course in English, for which students receive full college credit. Thus they are able to enter college with a part of the Freshman requirements already completed.

Co-Captains

FOOTBALL

Our 1961 football team, under the able direction of head coach Arthur Roche and assistants Joseph Allard and Richard Smith, compiled a winning record of 5 wins, 3 losses, and 1 tie. The team was led by captain Alan Clark. This was considered a very successful season despite numerous injuries to such key men as co-captain Marshall Tourtellotte and leading scorer Edward Keeler.

Our season started on a sour note as Warren handed us our first setback to the tune of 22-6. This game was a hard loss to take as Marshall Tourtellotte was injured and lost for the season. The next two weeks, however, were on the brighter side as we downed Plainfield 26-14 and Griswold 20-6. The following week was a different story, though, because a powerful Stonington squad dealt us a crushing 40-14 defeat. In this game Edward Keeler was injured and lost for the duration of the season. The following week we downed Scituate, in the pouring rain, 20-6. Next came one of the most rewarding games as we held a very powerful St. Bernard's team to a 6-6 tie. On the following week we were beaten by a rugged Waterford squad in a hard-fought battle 22-14. On the next Saturday afternoon Simsbury High came to Danielson with a previously unblemished record. We handed them their only defeat of the season by a

14-12 score. We climaxed the season by defeating arch-rival Putnam 20-0 in the traditional Thanksgiving day classic.

We were all very proud when Alan Clark and Daniel Leoutsacos were named to the Eastern Connecticut Conference all-star team at tackle and guard position respectively.

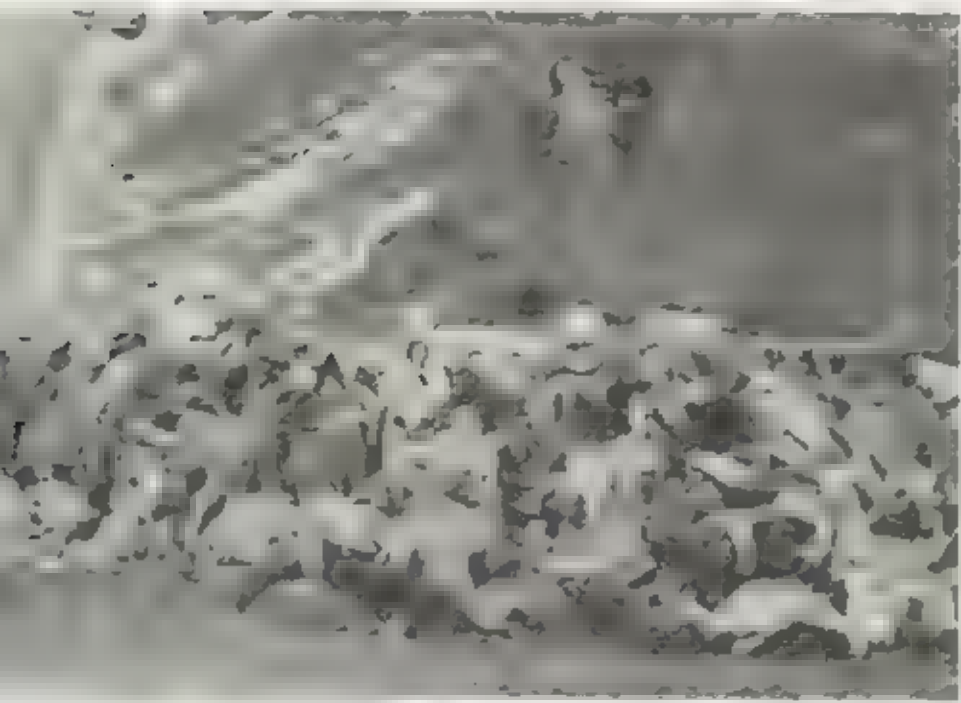

Although the squad is losing twelve seniors, the future is bright, as many junior and sophomore players were outstanding in action during the 1961 season. Next year's squad will be led by captain Ernest Correia and another captain designated before each game. We, the class of 1961, wish next year's squad the best of luck.

BASKETBALL

Our 1961-1962 basketball team coached by Mr. Anton Nichols and Mr. Armand Berthiaume, was a successful one. John Kuusk and Dennis Gladu captained the varsity squad to a record of eleven wins and eight losses. Ralph Brennan, Dennis Gladu, John Kuusk, David Lefevre, and James O'Connell were the senior members of the squad.

This team made up in spirit and determination for what it lacked in height.

As evidenced by the fine showing of the junior and sophomore members of the squad the K.H.S. varsity basketball squad, despite the loss of five seniors, has bright prospects for the future.

John Kuusk received the honor of being named to the Eastern Connecticut Conference all star team for his outstanding play and David Lefevre received Killingly's Outstanding Team Player trophy.

Under the fine coaching of Mr. Berthiaume the junior varsity squad established a seventeen win and two loss record.

The senior cheerleaders were Jane Parsons, Toni Bellisario, Patricia Long, Sheila Normington, Constantina Farfaras, and Carol Linkkila.

 Missing from picture: R. Baker, F. Baranski, Manager J. Bellisario.

Under the watchful eye of head coach Armand Berthiaume, and assistant coach Arthur Roche, the 1962 baseball team jumped off to another very successful start as it won 7 games without a defeat. One of these wins was an Eastern Connecticut Conference contest against Waterford High by a 6-4 score.

Last year's team with a 17 win and 2 loss record, was one of the best teams in the history of Killingly High. They won the E.C.C. without a defeat, their conference record being 8 wins and 0 losses. This is remarkable in that this conference is considered one of the strongest in the state. In the State Championship Tournament, the Redmen advanced to the final game in which Southington High School defeated the Killingly nine 3-2. The game ended with two Killingly runners on base, representing the tying and winning runs. With a base hit Killingly would not only be defending E.C.C. champions, but also defending state champions.

This year's team, captained by all-star catcher David Lefevre, will miss the many seniors who contributed to last year's championship team, but it is expected that the crop of sophomores will step into the vacant spots.

All of this year's seniors have seen action and have led the team to these victories with their timely hitting and experienced fielding. Seniors on this year's squad are Richard Baker, Francis Baranski, Ralph Brennan, John Kuusk, David Lefevre, James O'Connell, Kurt Schmidt, and William Wood.

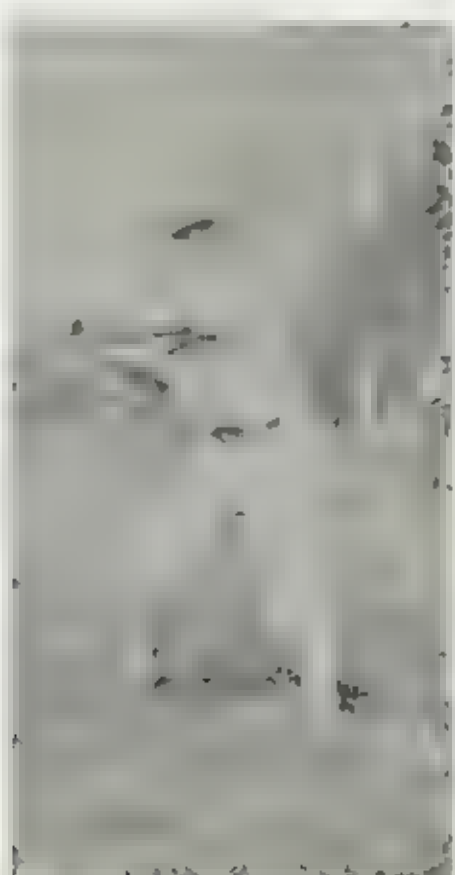

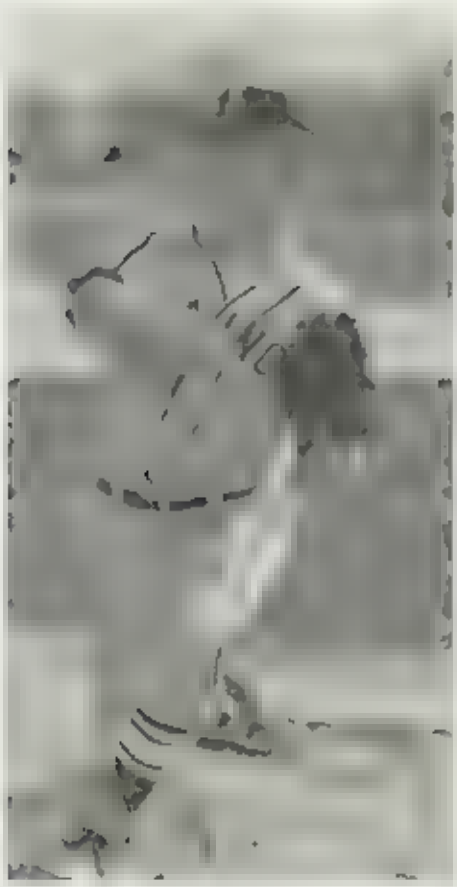

Junior Bruce Giambattista has won two games with triples, with men on base and runs needed badly, and Sophomore Charles Panteleakos has won three games with his brilliant pitching.

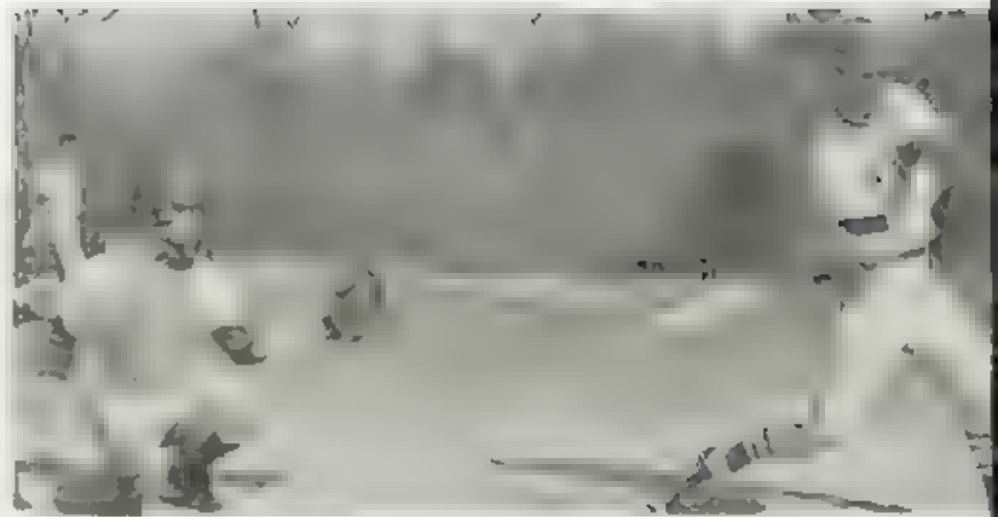

Kurt Schmidt hurled a four-hitter against St. Bernard's, enabling the Redmen to achieve a 3 win and 0 loss record to date in the E.C.C., and David Lefevre, handling the catching chores, has been superb, giving pitchers confidence in knowing that he will hold anything they throw. Lefevre has also kept baserunners honest during the past three years with his accurate throwing arm.

The 1962 track team, coached by Mr. Alton Nichols and captained by Ralph Brennan, has had many bright spots. Despite the lack of experience, the team has given creditable performances in each meet to date.

With only three seniors, Ralph Brennan, Warren Logee, and Juri Talva, the track squad shows great promise for the future. Stanley Karro, a junior, has been superb in the discus throw, pole vault, broad jump, 220 yard dash, and the 440 yard dash. Senior Ralph Brennan consistently has won or placed in the broad jump, the 100 yard dash, the javelin throw, and the 220 yard dash. Senior Warren Logee handles the distance running chores for the squad and also participates in the high jump. Juri Talva also gives a creditable performance as a distance runner.

Coached by Mr. Richard Hammond, the golf squad shows great promise for the coming season. Along with the experienced seniors, Edmond Billington, Lucien Grennon, and Leonard Mullen, the sophomores, led by Charles Panteleakos and Edmond Misiaszek will help tremendously. In past years the golf teams at Killingly High have not had the experience and ability that is promising for this season. To date the team has been defeated only by traditionally powerful Putnam, while winning six matches.

But Coach, I lose the ball when I do that!
